Marshalltown Tornado...

July 24-25 after the tornado in Marshalltown, Iowa where families were devastated I was volunteering with HOPE4HEALING. I helped families that were affected by the tornado fill out applications for assistance. During this time period I got connected to several Latino families.

Two of the families began to assist with family altars at New Hope Christian Church on Sundays and Tuesdays. We began to help these families with whatever was necessary.

For example, Marcela had prob-

lems with insurance and we helped her with that. Also, Ricardo's house needed repairs and we are currently talking with New Hope to see what can be done for him and his family. The church at Liscomb, IA has also joined us to help these families. This is a great opportunity to reach out to others about Christ.

National Convention...

During July 17-19, a total of 35 from ICPV assisted the convention that took place at Plainfield Christian Church in Indianapolis IN. Total attendance was 600. This convention was a great blessing to many people at our church.

Next year, July 16-18, 2019 the convention will take place at Rising Sun Church of Christ in Pleasant Hill, IA. We have already begun to prepare. The local board is composed of many people. The president is Mario Lara, vice-president is Candelario Garcia, treasurer is Guadalupe (continued)

motes INHiM's website and invite people to join the family altar in Carroll. We are also planning to use the Facebook Market Places on the Denison page to promote INHiM. We are working with Carroll in this. If you know of anyone that may be interested, please let Mario know.

INHiM's dream is to eventually own a building where we can develop a training center. We are not looking for a church, but a small building that fits our needs. At this we would be training people so in the future we can send them out to other communities to develop family altars. But with the idea that these groups are a part of the American Churches so that first generation Latinos can have Bible classes in Spanish but second generation Latinos can grow up with the children of American churches. In the future we pray for a multicultural congregation. This plan has been in God's hands for a long time, but we continue to pray and invite you to pray with us.

ca will be a junior at CCCB and is working very diligently to finish her studies! Both are members of Lifebridge.

CAMP ANITA...

This past June was our first

camp at Lake Anita, IA. Forty five people attended. Everyone had to take their own tents and had to cook their own food. During our stay it began to rain and we had to adjust our schedule. The dynamics at this camp is different from our labor day camp.

New work... Denison & Carroll

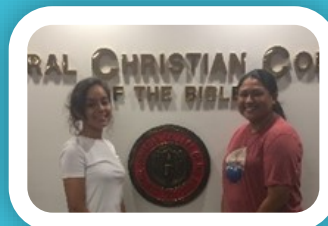

INHiM is working on starting a family altar in the Carroll and Denison area. Lily Short is a member of Carroll Church of Christ and Tila lives in Denison. The strategy for this group is as follows. We are planning to have an article in the Latino newspaper that pro-
