Lifebridge/InHim Happenings...

On August 14, 2021, Alberto and Kylie Lara had their first son and his name is Ezekiel Lara. So, today we are the happiest grandparents since, thanks to God, our first grandson was born healthy.

On August 28 was my birthday and we also celebrated the wedding of our daughter Abigail and Mathew Rector. They live in Baltimore, MD; the family continues to grow.

From August 29 to September 1, my wife, Maria, and I were in Gering, NE, where we had a meeting with the pastors Raúl

Martínez (Eastside Church of Christ), Lyle Hinebauch (Central Church of Christ) and David Perry (SUMMIT College).

The plan is to bring the Hispanic National Christian Convention to Gering, NE on July 19-21, 2022. Also, on October 5-6, Mario had a meeting in Dallas, TX where the program for this convention was proposed.

On the days of September 3-5, 2021, we held a family camp in Earlham, IA. It was a blessing for the attending families who came from Gering, Scottsbluff and Wausa, NE; as well as Des Moines, IA, and surrounding areas.

One of the speakers was **Dr. Lesby Castro**. She attends the Church of Christ in Clovis, CA. The conference was given through Google Meet. The other speaker was **Dr. Daniel Lara**, minister of the church in Sabinas, Coahuila, MX. He was the preacher during the days of the camp.

CCF (Christian Campus Fellowship) helped with the children's classes and the nursery. Volunteers in the kitchen prepared great authentic Mexican meals. We had sports and a bonfire on Saturday night. The attendance was 74 people.

For this October 30th we are planning to carry out the **Connect with Jesus** program at **Joshua Christian Academy** in Des Moines, IA. This program consists of attracting new families, fellowshiping, playing games, enjoying the Mexican hot chocolate and bread, as well as sharing the word of God. The bottom line is to make new connections.

We are very busy, but happy to serve the cause of Christ. Keep praying for God to give us the vision the church needs from Him in these difficult times. Also, thanks for your support. God bless you.

Connecting people with each other and with the Lord!
